

TAKATA CRISIS : VITAL EMERGENCY IN MARIE-GALANTE

As part of the serious risks associated with TAKATA airbags, GSA continues its commitment to customer safety by organizing two dedicated days for the inspection and replacement of defective airbags in Marie-Galante.

 Location: Hôtel du Soleil Levant, 42 Rue de la Marine, Capesterre-de-Marie-Galante 97140, Guadeloupe

 Dates: Wednesday, February 12 & Wednesday, February 19

 Time: 10:00 AM - 3:00 PM

 Contact: 05 90 25 11 11

Affected Vehicles

The identified models are the same as those recalled in Guadeloupe. In Marie-Galante, 25 Volkswagen vehicles have been listed, but this number could be higher.

Why is this campaign essential?

TAKATA airbags can pose a fatal risk due to their deterioration in high heat and humidity conditions. The replacement is free and takes less than 3 hours.

About the Takata Recall Action:

The global recall campaign for defective airbags from supplier TAKATA affects many car manufacturers, including Volkswagen models. TAKATA provided the automotive industry with faulty airbags or airbags containing defective gas inflators. If your vehicle is equipped with these airbags, heat and humidity over time may cause them to become dangerous. They must be replaced or repaired, as they could increase the risk of serious or even fatal injuries for you and your passengers in the event of an accident.
